

# ELITE CAR SERVICE BOGOTÁ

The preferred choice of business executives for secure and reliable transportation while in Bogotá, Colombia.

Elite Car Services of Bogotá is an exclusive, reliable and secure transportation service dedicated to meeting the transportation needs of companies who either send executives to Bogotá, or meet them there.

We offer airport pickup, point-to-point and inter-city, as well as a range of other premium services designed to maximize the productivity and comfort of our customers.

### Reliability, Safety and Security

We focus on attention to details such as reliability, safety and security, in order to provide the best possible service. All of our vehicles are monitored by the OnStar satellite service for the protection of our passengers; and all vehicle windows are protected with 3M™ Scotchshield™ ultra safety and security film to minimize the risk from attempted theft.

### More Convenient than Car Rental

Elite saves valuable time for your executives throughout their stay in Bogotá. There's no standing in line to complete car rental paperwork, no need to give directions, no need for maps, and no traffic or parking worries. Our Elite vehicle is available on demand and all transportation details are handled by us.

### Mobile Productivity

When being chauffeured by Elite, executives can turn their ride into a mobile office. For their convenience, we offer free internet access whilst on-board and also rental of high-speed, mobile USB-modems, laptops and cellular phones during their stay in Bogotá.

### Comfort and Vehicle Choices

All our cars are air-conditioned and we offer a range of choices to accommodate different aspects of our customers' stay in Bogotá. You can reserve anything from a comfortable and spacious mid-sized vehicle, to a 10-passenger van, depending on your executives' needs and itinerary.

### Complimentary Services

- Internet Access while on-board at no additional cost
- Unlimited incoming telephone calls
- Beverages and snacks
- Business magazines and local newspapers

### Our Drivers Speak English and are Properly Trained

Drivers who speak fluent English are available upon request. We train our drivers in the provision of safety and customer service, and can guarantee satisfaction for your company.

Maximize the safety of your personnel and avoid unknown local transportation services. Let us assist you with your company's transportation needs in a courteous, efficient and professional manner.
